Welcome to the Lancaster and Morecambe Model Engineering Society. We are happy to inform you that your application for membership has been accepted. Please find enclosed your share certificate (Full Adult members only).

With this letter, we have enclosed our Welcome Pack to help you enjoy your new membership and your member's handbook for our Cinderbarrow Site.

You will receive new member orientation upon first visit to our site. On public running days of the railway ask for the Operating Superintendent. At other times ask for either the Chairman or the Vice Chairman.

When you have been a member for 13 months you will be welcomed to join our committee, and contribute to the running and development of the Society. But in the meantime, you are encouraged to attend our committee meetings to understand our methods.

As a new member, you can take part in all aspects of the Society and be involved as much or as little as you wish in the running of our Miniature Railway.

Please familiarise yourself with our website below which is packed full with more information. The password for the "Members Only" section of our website is *black5*.
